Employment Update: FFCRA DOL Poster and Guidance
Posted March 25, 2020

Each covered employer must post a notice of the Families First Coronavirus Response Act (FFCRA) requirements in a conspicuous place on its premises. An employer may **satisfy this requirement by emailing or direct mailing this notice** to employees, or posting this notice on an employee information internal or external website.

All employers covered by the paid sick leave and expanded family and medical leave provisions of the FFCRA (i.e., certain public sector employers and private sector employers with fewer than 500 employees) are required to post this notice.
